

# CJENIK PRICELIST

**Vis A Vis by Vincek**, naša mala slatka oaza, osmišljena je za sve vas radoznale, sklonije modernijem pristupu u slastičarstvu, koji želite uživati u drugačijoj ponudi ili nažalost morate poštivati liječničke upute. Posve novim pristupom, nadogradili smo tradicionalnu ponudu te osnovne sastojke poput pšeničnog brašna, mlijeka, jaja i šećera, zamijenili bademovim ili sojinim mlijekom, rižinim brašnom, datuljama, agavinim sirupom, stevijom ili smeđim nerafiniranim šećerom. Raznovrsno domaće i egzotično voće, orašasti plodovi poput badema i indijskih oraščića, sjemenki lana, tek su neki od nutritivno vrijednih sastojaka od kojih pripremamo slatke zalogaje. Kod nas ćete pronaći drugačije, ali ukusne slastice bez glutena, bez šećera i jaja, te popularne 'raw-food' kolače. Najbolje ćete se osviežiti kuglicom sladoleda punog okusa, napravljenog samo od prirodnih i najkvalitetnijih sastojaka iz organskog uzgoja.

Razbuditi se zamamnim mirisom svježe pržene arabike organske kave. Napuniti tijelo vitaminima i obnoviti energiju, svježe cijedenim sokovima, smoothiem ili nutritivno hranjivim sirovim kolačem osmišljenim za vegane.

Želimo Vam dobar tek i vidimo se opet!

**Vis À Vis by Vincek**, our sweet little oasis, has been designed for all of you gourmands with a fresh and modern approach to pastry, who would like to try something different, or who, unfortunately, have to avoid certain ingredients for medical reasons. Our new approach includes upgrading of the original offer of pastries by substituting the ingredients such as wheat flour, milk, eggs and sugar by almond or soy milk, rice flour, dates, agave syrup, stevia or brown, unrefined sugar. A variety of domestic and exotic fruits and nuts – almonds, cashews, flax seeds, just to name a few – are some of the nutritious ingredients we use in pastry making. We offer completely different, but nonetheless delicious gluten-free, sugar and egg-free pastries, along with the very popular raw-food cakes. We suggest refreshment in the form of a scoop of our delicious ice cream, since it is made only out of the best organic ingredients.

Our freshly brewed organic arabica coffee will awaken your senses and our freshly squeezed juices, smoothies and raw cakes, especially designed for vegans, will replenish your body with nutrients and give you a burst of energy.

We wish you bon appetit, and we hope we will see you again!

### Specijalitetna kava

Prženjem samo visokokvalitetnih zelenih zrnaca Arabica kave, podrijetlom iz kontroliranog organskog uzgoja s farmi s istočnih padina planinskog lanca Anda u Peruu, dobivene je "craft" kava slatkog voćnog okusa.

### Specialty coffee

Though roasting the finest Arabic green coffee beans, cultivated in the controlled environments of organic farms in the Peruvian Andes, we crafted coffee with sweet, fruity flavor.
